MULTIPLE SESSIONS AVAILABLE

What sponsoring a track means: You lead it as the industry expert with Paramify, as an open-forum session or 1:1 workshop style. Either way, attendees leave with your insights and clear action items.

Hosting a track is included with Platinum and up. Slots are limited and assigned by tier, highest first.

Why Host a Session?

A normal booth is boring. Nobody remembers the table with the tote bags. Once you pitch your company on "Whose Business is it anyway?" invite them to your hands- on slot as an industry expert.

Alongside our tracks, the ballroom is split into private sponsor spaces. Attendees sign up ahead of time for the sessions they care about, so you sit down with people who already want what you're offering and help them with their next step.

What Could You Offer?

- A working session on a real problem
- Hands-on setup of your tool
- Office hours with your experts

Don't see a training you're interested in? Request a hands-on slot for an alternate topic.

SPONSOR PITCH SEGMENT · ON STAGE

Whose Business Is It Anyway?

A quick, entertaining moment for sponsors to say what makes them different and invite attendees to come connect at their dinner on Day 1 or hands-on training on Day 3. Short and fun, and more memorable than a memorized booth convo . Our marketing team will meet with you to help craft your stage time.

SILVER + GOLD · $15K+	PLATINUM · $50K+	DIAMOND · $100K+	SPOTLIGHT · $125K+
Name read	30 seconds	1 minute	2 minutes

Eligibility is based on a sponsor's **total sponsorship spend**, not on buying one specific activation. Combine packages to reach a pitch (limit one winter activity and one dinner per company):

30 seconds: i.e. $35K Bobsled + $15K Tuesday après = $50K

1 minute: i.e. $35K Bobsled + $25K dinner + $40K for 4 days of 12 Days of Paramijam = $100K

2 minutes: i.e. $75K Concert + $25K dinner + $30K for 3 days of 12 Days of Paramijam = $130K
