Request to attend Paramijam 2027

Hi [Manager name],

I'd like to attend **Paramijam**, a three-day FedRAMP 20x working event in Park City, Utah, January 26–28, 2027. It isn't a typical conference: Tuesday and Wednesday cover keynotes, panels, and breakouts from the people defining FedRAMP 20x, and Thursday is a full day of hands-on workshops built around deliverables we can put to work right away.

WHAT I'LL BRING BACK

- [✓] A FedRAMP 20x Class A submission package
- [✓] Up to 90% of our instance automated
- [✓] 5–10+ CPE credits
- [✓] Working evidence scripts
- [✓] An actionable gap assessment and 20x roadmap
- [✓] 1:1 time with Rev5-to-20x SMEs
